

Hazardous Engineering Solutions

## Hazardous Engineering Solutions

# Magazine Readership Samples By Job Title, Region And Company Name

Project Engineer, Risers, Pipelines and subsea field development & Professor of Practice, Subsea Engineering The University of Texas at Austin Spring, TX

Project Manager The Chemours Company Houston, TX

Services Business Development Manager Shell Energy Keller, TX

Asset Leader Celanese Greater Houston

Process Engineering Manager BASF Bishop, TX

Global Process Safety Technology Manager TPC Group Houston, TX

Specialist Asset Engineer Enbridge Pipelines Pearland, TX

Consultant Becht Engineering BT, Inc. Katy, TX

Principal Engineer Major Loss Envista Forensics Houston, TX

Asset Integrity and Turnaround Supervisor Chevron Sealy, TX

Program Director University of Kentucky Houston, TX

Principal Engineer / Advanced Engineering Quest Integrity Katy, TX

Product Line Manager Baker Hughes Houston, TX

Production Manager Merit Medical Systems, Inc. United States

Maintenance Director Pilgrim's UK Mount Pleasant, TX

Vice President, Sustainability Equilibrium Houston, TX

Sr. Site Director Ascend Performance Materials Greater Houston

Chief Consulting Engineer Baker Hughes Houston, TX

Specialist Worley Houston, TX

4.0 Engineer/Analyst icare NSW San Antonio, TX

Instrumented Protective Systems Engineer Chevron Houston, TX

GOM - HSE Risk Management Chevron Missouri City, TX

Supplier Engineer III Applied Materials Austin, TX

Lead Cost Controls LyondellBasell Pearland, TX

PMD at ExxonMobil CAS - Engineering, Design & Automation Beaumont, Texas, United States

Integrity Reliability engineer | Data Scientist | MSc. CEng | Certified Reliability Engineer Enercon Services, Inc. Houston, Texas, United States

System Engineer - Marine Danfoss Editron Greater Houston

Engineer II Corrpro Companies, Inc. Houston, Texas, United States

ASNT Level 3 / API Inspector TechCorr USA, LLC Pasadena, Texas, United States

Director of Planning & Optimization Valero San Antonio, Texas Metropolitan Area

Program Manager - Reliability Services at ProAxion ProAxion, Inc. Rockdale, Texas, United States

Asset Management Professional Valaris Limited Greater Houston

Business Owner ELITE Transit Solutions Katy, Texas, United States

Blast, Fire, Seismic and Integrity Expert The University of Texas at San Antonio Houston, Texas, United States

Quality Control Manager Thrustmaster of Texas Greater Houston

DL bp Houston, Texas, United States

Director Of Engineering Parker Aerospace Dallas-Fort Worth Metroplex

Maintenance & Reliability Engineer Bayer Greater Houston

Process Safety - Functional Safety TotalEnergies Port Arthur, Texas, United States

Innovation, Products, Markets, Leadership Rice Alliance for Technology and Entrepreneurship Houston, Texas, United States

Engineering Siemens Energy Houston, Texas, United States

Senior Project Manager/Air Quality Engineer TRICORD Consulting Austin, Texas, United States

Senior Pipeline Integrity Engineer ROSEN Houston, Texas, United States

Rotating Equipment Engineer Linde Engineering Houston, Texas, United States

Application Engineer (High Voltage AC-DC Controllers) Texas Instruments Dallas, Texas, United States

Sr. Mechanical/Lubrication Engineer | Executive MBA Candidate 2024. Texas A&M University - Mays Business Scholl Shell Greater Houston

Currently looking for work. Sr. Mechanical Engineer/Heat Transfer Engineer, P.E. TechnipFMC  
Houston, Texas, United States

Chief Engineer BD Energy Systems, LLC Greater Houston

Materials and Corrosion Engineer | Asset Integrity Management | Pipeline Engineer | Quality  
Engineer | Researcher | Technology | Materials Scientist | Energy | Supply Chain | Dreamer  
aramco Houston, Texas, United States

Subsurface ExxonMobil Houston, Texas, United States

Engineer PERI Dallas, Texas, United States

Certification Engineer Dodge Industrial, Inc. Conroe, Texas, United States

Controls & Safety Instrumented System Engineer Chevron Phillips Chemical Company  
Channelview, Texas, United States

Consulting Manager - Eurofins Eurofins Sunnyvale, Texas, United States

Sr. Manager Asset Management and Reliability CPS Energy San Antonio, Texas, United States

Sr Corrosion Engineer (LION 11,000+) Air Liquide Greater Houston

Senior Staff Engineer - Hazardous Locations Eurofins E&E North America Richardson, Texas,  
United States

Static Equipment Engineer aramco Katy, Texas, United States

Senior Director of Asset Performance Årsted Austin, Texas, United States

Graduate Engineer at CONSOR(formerly known as AIA Engineers) CONSOR Engineers  
Richmond, Texas, United States

Senior Wells Engineer | Rice MBA Candidate Shell Houston, Texas, United States

Electrical Engineer Formosa Plastics Group Sugar Land, Texas, United States

API 580 | RBI Engineer CANEIL Houston, Texas, United States

Site Project Engineer - T&E Rheinland SIS Schneider Electric Greater Houston

Staff Rotating Equipment Engineer Delek US Holdings, Inc. Greater Houston

Senior Reservoir Engineer Marathon Oil Corporation Houston, Texas, United States

Lead Rotating Equipment Engineer Motiva Enterprises LLC Boerne, Texas, United States

SENIOR PRINCIPAL RELIABILITY ENGINEER Celanese Houston, Texas, United States

Staff Reliability Engineer Enterprise Products Houston, Texas, United States

R&D Engineer / Project Manager / Wastewater engineer Xyleco Greater Houston

Engineering Manager ID Ingenieria Greater Houston

Olefins Recovery Engineer ExxonMobil Houston, Texas, United States

Principal environmental engineer ConocoPhillips Baytown, Texas, United States

Refining Engineer      Marathon Petroleum Corporation      Houston, Texas, United States

Sr Process Engineer      Howard Energy PartnersHouston, Texas, United States

Analyzer Application Engineer Staff      BASF      Freeport, Texas, United States

Director      ABS Group      Katy, Texas, United States

Subsea Engineer      Joliet Junior College      Greater Houston

Project Engineer      Targa ResourcesGreater Houston

Condition Monitoring Engineer / AnalystNOV      Spring, Texas, United States

GDTP Sr., Staff Engineer Bell Flight      Dallas-Fort Worth Metroplex

Instrumentation group lead      ExxonMobil      Beaumont, Texas, United States

Rotordynamic and Bearing Design Engineer      Dover Precision Components      Houston, Texas, United States

Integrity Engineer- Assessments TC Energy      Houston, Texas, United States

MECHANICAL ENGINEER      Chevron Phillips Chemical Company      Greater Houston

Building energy efficient and sustainable mobility solutions      Southwest Research Institute      San Antonio, Texas, United States

Integrity Management Program Engineer      Dow      Houston, Texas, United States

Continuous Improvement Leader      The Chemours Company      Houston, Texas, United States

Sr. Process Engineer      Corpus Christi Polymers LLC      Corpus Christi, Texas, United States

Senior Pressure Systems Integrity Engineer      Aker Solutions      Greater Houston

Aeronautical Engineer Senior (Transmission Design)      SikorskyDallas-Fort Worth Metroplex

Manufacturing EngineerNano-Master, Inc.      Austin, Texas, United States

Health, Environmental and Safety Manager      Atlantic Methanol Production Company      Houston, Texas, United States

Specialist Project Engineer      Enbridge      Houston, Texas, United States

Don't be pushed around by the fears in your mind. Be led by the dreams in your heart.      JLL  
Houston, Texas, United States

Senior Reliability Engineer      Lockheed Martin      Keller, Texas, United States

Rotating Equipment Engineer / Reliability Engineer / Package Engineer      Bechtel Oil, Gas, & Chemicals      Houston, Texas, United States

RBI Engineer | Project Lead | Asset Integrity Engineer      MISTRAS Group, Inc.      Bellaire, Texas, United States

Fellow EngineerCelanese      Corpus Christi, Texas, United States

Engineer at ExxonMobil (Contractor) Workflow development, Project engineering, Subsea Engineering Quest Global Spring, Texas, United States

Director - Refinery Fired HeatersValero San Antonio, Texas, United States

RBI Engineer E2G | The Equity Engineering Group, Inc. Houston, Texas, United States

Hazardous Locations Certification Engineer CSA Group Dallas-Fort Worth Metroplex

Superintendent Engineer MAN Energy Solutions Houston, Texas, United States

Mechanical Engineer at Lyondell Basell LyondellBasell League City, Texas, United States

Engineer at the King Ranch Gas Plant Energy Transfer Kingsville, Texas, United States

Integrity Engineer Wood Houston, Texas, United States

Mechanical Static Equipment Engineer Shell Houston, Texas, United States

RBI Engineer E2G | The Equity Engineering Group, Inc. Greater Houston

I&E Engineer Wood Houston, Texas, United States

Principal Engineer HSE Westlake Houston, Texas, United States

Professional Engineer with areas of competency in Mechanical Engineering and Electrical Engineering LCRA Austin, Texas Metropolitan Area

R&D Director, Foods Processing PepsiCoFrisco, Texas, United States

Design EngineerVersabar Spring, Texas, United States

MBA. Metallurgical Engineer TechCorr USA, LLC Houston, Texas, United States

Environmental EngineerValero Texas City, Texas, United States

Refining Engineer III Marathon Petroleum Corporation League City, Texas, United States

Engineer Fastenal Company Forney, Texas, United States

Connected Enterprise | IIoT | Digital Transformation | Process Automation | Electrical Distribution & Control | Hazardous Lighting Rockwell Automation Houston, Texas, United States

Process Improvement Engineer Wood Houston, Texas, United States

Principal Integrity Engineer Wood Houston, Texas, United States

Engineer, CEO, Co-Founder, Helping growing companies bring manufacturing back home. Alchemy Industrial Houston, Texas, United States

Lead Commissioning Engineer Veolia Houston, Texas, United States

Engineer Shell Webster, Texas, United States

Mass Properties Engineer at Boeing Defense, Fighters & Bombers Division Boeing Defense, Space & Security North Richland Hills, Texas, United States

Senior Engineer at Queue Systems Queue Systems Inc Greater Houston

Global Head of Fire & Life SafetyJPMorgan Chase & Co. Dallas-Fort Worth Metroplex

Project Engineer III Williams San Antonio, Texas, United States

Environmental Engineer at Austin Watershed Protection Department City of Austin Austin, Texas, United States

Reliability Engineer M&H Houston, Texas, United States

Environmental Engineer NOV Houston, Texas, United States

Inspection Engineer Chevron Houston, Texas, United States

Offshore Engineer bp Houston, Texas, United States

Senior Process Engineer Celanese Greater Houston

Maintenance & Reliability Manager Chevron Phillips Chemical Company Borger, Texas, United States

Director of Agency and Lab Operations Johnson Controls Plano, Texas, United States

Managing Director, North America ExVeritas Dallas, Texas, United States

Pressure Equipment Engineer ExxonMobil Greater Houston

Licensed Professional Engineer Tarrant Regional Water District Grand Prairie, Texas, United States

Graduate Research Assistant at Texas A&M University College Station Cummins Inc. College Station-Bryan Area

Engineer-in-Training Bell Flight Dallas-Fort Worth Metroplex

Mechanical Integrity | RBI | QA/QC | Corrosion | NDE Southwestern Energy Houston, Texas, United States

Senior Consultant, Turner & Townsend Shell Houston, Texas, United States

Senior Project Manager/Estimator at QUALITY EXCAVATION LTD Quality Excavation, LLC Little Elm, Texas, United States

Senior Director - Safety Projects Dräger Greater Houston

Sales Engineer- Director of North America AiSHi Capacitors Spring, Texas, United States

Chief Operation Officer Megas Manufacturing Beaumont, Texas, United States

Program Director Kent Houston, Texas, United States

Shell Midstream Shell Pasadena, Texas, United States

Crane Engineer and Subject Matter Expert G.L.I Solutions LLC. Greater Houston

Austin Water City of Austin - Austin Water Utility Austin, Texas Metropolitan Area

Ph.D., P.E., | HBX CORE | Operations | Engineering | Asset Integrity | Reliability | M&A | Due Diligence | Executive Leadership Delek US Holdings, Inc. Dallas, Texas, United States

Senior field service engineer Starrag Arlington, Texas, United States

General Engineer at U.S. Department of Transportation Pipeline and Hazardous Materials Safety Administration (PHMSA) Greater Houston

Senior Manager, Advanced Technology Programs Elliott Group, Ebara Corp Pearland, Texas, United States

Senior Electronics Engineer and looking for new opportunities Rockwell Automation Grand Prairie, Texas, United States

Vice President, Sustainability Equilibrium Catalyst, Inc. Houston, Texas, United States

Global Aviation, Marine & Services Brand Manager ExxonMobil Spring, Texas, United States

Principal Rotating Equipment Engineer Shell Greater Houston

Executive Vice President, Refining and Logistics Par Pacific Holdings, Inc. Houston, Texas, United States

Senior Associate Stress Engineering Services, Inc. Houston, Texas, United States

Intertek Hazardous Locations Compliance Engineer Intertek Dallas-Fort Worth Metroplex

4.0 Engineer/Analyst at I-Care I-care Reliability Inc. San Antonio, Texas, United States

Sr. Rotating Equipment Engineer bp Houston, Texas, United States

- QPS Evaluation Services Inc. Houston, Texas, United States

College Process Technology Instructor and High School Physics/Algebra II Teacher Wharton County Junior College Richmond, Texas, United States

Staff Engineer for Hazardous Areas Intertek Dallas, Texas, United States

Helping people Predict machine Reliability through R.C.M. - Lube programs and Condition monitoring. I-care Reliability Inc. Houston, Texas, United States

Compliance Engineer Intertek Wylie, Texas, United States

Head of Product Safety Siemens Energy Euless, Texas, United States

Sr. Project Engineer UL Solutions Plano, Texas, United States

Process Engineer Celanese Houston, Texas, United States

Principal Engineer at CLYDEUNION Pumps Celeros Flow Technology Houston, Texas, United States

Engineer Freudenberg Oil & Gas Technologies Houston, Texas, United States

Integrity Engineer Plains All American Spring, Texas, United States

Staff Rotating Equipment Engineer Williams Houston, Texas, United States

Rotating Equipment Engineer Shell Friendswood, Texas, United States

OCT Project Engineer Shell Houston, Texas, United States

Materials & Corrosion Engineer LyondellBasell Houston, Texas, United States

Tendering Engineer Technip Energies Houston, Texas, United States

Mechanical Engineer Shell Deer Park, Texas, United States

Mechanical Reliability Engineer Pilot Chemical Company Houston, Texas, United States

Hydrogen Mobility R&M Engineer Shell Houston, Texas, United States

Project Engineer Kiewit Greater Houston

Environmental ManagerValero San Antonio, Texas, United States

Drilling Engineer Ohio University Houston, Texas, United States

Engineer at Conhagen Conhagen Rotating Equipment Specialist Santa Fe, Texas, United States

Independent Consulting Engineer Parcel Pending by Quadient Greater Houston

Power Electronics Application Engineer at Dynex Semiconductor Ltd Texas Instruments  
Dallas-Fort Worth Metroplex

Vinyl Acetate Enhancement Engineer Celanese Houston, Texas, United States

Engineer Director Noble Energy Spring, Texas, United States

Engineer The Lubrizol Corporation Deer Park, Texas, United States

Engineer ExxonMobil Houston, Texas, United States

Reliability Engineer Airgas Houston, Texas, United States

Sr. Electrical Engineer-SECORA Representative & Hazardous Area Classification Steward Flint Hills Resources  
Greater Corpus Christi Area

Hazardous Location Engineer QPS Evaluation Services Inc. Austin, Texas, United States

Reliability Engineer Tremor Vibration Services, LLC. Greater Houston

Principal Control Systems Engineer Private Company Houston, Texas, United States

Project Engineer / I&E Engineer / Maintenance Reliability / CMRP LCY Elastomers LP  
Greater Houston

Chief Executive Officer & Chief Engineer KnightHawk Engineering, Inc Houston, Texas, United States

I have been working for over 15 years in oil and gas offshore & onshore field. Halliburton  
United States

Engineer ConocoPhillips Katy, Texas, United States

Mechanical Maintenance Supervisor - Reliability Engineer Energy Services Ltd. Co. Greater Houston

Sr. Mechanical Integrity Engineer Wood Greater Houston

Senior Staff Reliability Engineer Enterprise Products Rosharon, Texas, United States

Rotating Equipment Specialist Engineer Repsol Greater Houston

Process Control Engineer bp Houston, Texas, United States

Petroleum Engineer Chevron Midland, Texas, United States

Sales Engineer at Ventil Ventil USA Inc. Kemah, Texas, United States

Process Optimization & Project Engineering Lead Shell Greater Houston

Production Engineer ConocoPhillips Houston, Texas, United States

Mechanical Engineer KnightHawk Engineering, Inc Greater Houston

Field Engineer KCF Technologies, Inc. Arlington, Texas, United States

Lead Manufacturing Engineer Baker Hughes Livingston, Texas, United States

Currently seeking new opportunities. Enverus Austin, Texas, United States

Senior Materials and Corrosion Engineer Shell Houston, Texas, United States

Cost Engineer ExxonMobil Katy, Texas, United States

Simulation Engineer Chevron Houston, Texas, United States

Energy Systems Engineer Shell Houston, Texas, United States

Lead Process Engineer Black & Veatch Houston, Texas, United States

Automation Engineer - QMI/Analytical Shell Houston, Texas, United States

Midland Area Engineer II Targa Resources Midland, Texas, United States

Senior Process Safety Engineer Tesla Houston, Texas, United States

Principal Rotating Equipment Engineer LyondellBasell Houston, Texas, United States

Seeking new employment opportunities Gyrodata Lubbock, Texas, United States

Ready for a new challenge. Quanta Services, Inc. Greater Houston

Seeking new opportunities and challenges in Quality/Engineering Aker Solutions Houston, Texas, United States

Open to new opportunities. Integrated Shipping Solutions (ISS) San Antonio, Texas, United States

Open for a new position Rush Resources Greater Houston

Open to new Opportunities GE Power Greater Houston

Seeking New Challenges/Projects Staatsolie Maatschappij Suriname N.V Friendswood, Texas, United States

Sr. Engineer, Process Automation TPC Group League City, Texas, United States

Principal Coatings Engineer at Technip TechnipFMC Katy, Texas, United States

Lead Engineer - Customer Projects Baker Hughes Houston, Texas, United States

Senior Reliability Engineer Baker Hughes Houston, Texas, United States

Wells Drilling Engineer Petrofac Houston, Texas, United States

Civil / Structural Engineer KBR, Inc. Houston, Texas, United States

Senior Engineer Subsea7 Houston, Texas, United States

Technical Sales Engineer Vysus Group Friendswood, Texas, United States

Senior Project Engineer Subsea7 Katy, Texas, United States

Validation Engineer Caterpillar Inc. Houston, Texas, United States

Production Engineer Marathon Oil Corporation Sugar Land, Texas, United States

Enterprise Reliability Engineer Chevron Houston, Texas, United States

Senior Field Engineer at Lokring Southwest - GOM Lokring Southwest-GOM Greater Houston

corrosion engineer. Acacia is known to me Vecor Pipeline Integrity, Inc. Pearland, Texas, United States

Senior Technical Sales Engineer Blue Wolf Performance Solutions Greater Houston

Development Facilities Engineer Oxy Greater Houston

Advanced Process Control Engineer Chevron Houston, Texas, United States

Senior Process Control Engineer Shell Richmond, Texas, United States

Applications Engineer Hydratight Angleton, Texas, United States

Rotating Equipment Reliability Engineer Flint Hills Resources Corpus Christi, Texas, United States

Reliability Engineer, CMRP Reliability Coach Houston, Texas, United States

Lead Diagnostic Engineer Baker Hughes Houston, Texas, United States

Currently seeking new opportunities Trinity Consultants Greater Corpus Christi Area

Senior Project Engineer T.D. Williamson Dallas, Texas, United States

Environmental Engineer Valero San Antonio, Texas, United States

Telecommunication System Engineer Wood Sugar Land, Texas, United States

Electrical Reliability Engineer INEOS Friendswood, Texas, United States

Lead Control Systems Engineer Worley Houston, Texas, United States

Process Safety Engineer ExxonMobil United States

Sr. Systems Engineer - Qatar Energy | LNG Trading | Expat QatarEnergy Houston, Texas, United States

Staff Maintenance Engineer Enterprise Products Greater Houston

Senior Safety Systems Engineer Chevron Pearland, Texas, United States

Process Engineer Team Lead Phillips 66 Amarillo, Texas, United States

Sr Controls Engineer at Advanced Technology Services (ATS) Advanced Technology Services (ATS)  
Denton, Texas, United States

Process Development Engineer Shell Houston, Texas, United States

Corrosion, Materials & Welding Engineer E2G | The Equity Engineering Group, Inc.  
Houston, Texas, United States

Fired Equipment Engineer at Bechtel National Inc Bechtel Oil, Gas, & Chemicals Houston,  
Texas, United States

Process Engineer Cerebre Greater Houston

Petroleum Engineer Merit Energy Company Dallas, Texas, United States

Reliability and Mechanical Integrity Engineer Pinnacle Friendswood, Texas, United States

Senior Project Engineer Parker Wellbore Houston, Texas, United States

Electrical Engineer ExxonMobil Spring, Texas, United States

Specialized Industrial Services | Engineer Aqua Drill International  
Greater Houston

Reliability and Integrity Engineer Chevron Friendswood, Texas, United States

Process Engineer at Process Engineering Tools Stratus Engineering, Inc. Houston, Texas, United  
States

Sales Engineer at Flowserve Flowserve Corporation Greater Houston

Fired Equipment Engineer ExxonMobil Houston, Texas, United States

Mechanical Engineer PEMEX Houston, Texas, United States

Lead Mechanical Engineer Shell Houston, Texas, United States

Instrument Engineer ExxonMobil Greater Houston

Senior Materials Engineer ExxonMobil Greater Houston

Chemical Engineer Richard Lumberton, Texas, United States

Staff Reliability Engineer Enterprise Products Midland, Texas, United States

Machinery Engineer/Consultant Motiva Enterprises LLC Greater Houston

Project Engineer ConocoPhillips Katy, Texas, United States

Process Control Engineer with Process Engineering Experience PEMEX United States

Materials Engineer ExxonMobil Houston, Texas, United States

Senior Optimization Engineer ExxonMobil Houston, Texas, United States

Subsea Project Engineer Shell Houston, Texas, United States

Coating Materials Engineer, Subsea7 Katy, Texas, United States

Material and Corrosion Engineer Vysus Group Katy, Texas, United States

Senior Engineer- Reciprocating Equipment, Asset Engineering & Reliability Williams  
Greater Houston

Mechanical Engineer ExxonMobil Houston, Texas, United States

Adv Sr Facilities Engineer Marathon Oil Corporation Houston, Texas, United States

Reliability and Integrity Engineer-ExxonMobil ExxonMobil Midland, Texas, United States

Condition Monitoring Engineer NOV Greater Houston

Process Engineer bp Greater Houston

Material and Processes Engineer HuntingHouston, Texas, United States

Principal Reliability Valero Houston, Texas, United States

Materials & Corrosion Engineer ExxonMobil Houston, Texas, United States

Materials Engineer HuntingSpring, Texas, United States

Advanced Reliability Engineer ExxonMobil Spring, Texas, United States

Principal Engineer ExxonMobil Houston, Texas, United States

Senior Development Engineer Motiva Enterprises LLC Nederland, Texas, United States

Maintenance and Reliability Engineer FMC Technologies Houston, Texas, United States

Mechanical Engineer ExxonMobil Houston, Texas, United States

Project Engineer at HollyFrontier Refining HollyFrontier Baytown, Texas, United States

Process/Process Control Engineer Motiva Enterprises LLC Port Arthur, Texas, United States

IPS Engineer Chevron Katy, Texas, United States

Electrical Engineer Motiva Enterprises LLC Port Arthur, Texas, United States

Maintenance & Reliability Engineer MaxGrip Houston, Texas, United States

Drilling Engineer Dixon Directional Houston, Texas, United States

Rotating Equipment Engineer ConocoPhillips United States

Senior Drilling Engineer SLB Dallas, Texas, United States

Process Engineer ExxonMobil Austin, Texas, United States

Applications Engineer Hydratight Humble, Texas, United States

Process Engineer Chevron Houston, Texas, United States

Reliability Engineer Valero Houston, Texas, United States

Engineer Valero Houston, Texas, United States

Project Engineer Tracerco Greater Houston

Natural Gas Engineer FESCO, Ltd San Diego, Texas, United States

European Safety Health and Environment Director Ecolab Southampton, United Kingdom

EU Seveso Safety Lead Ecolab Southampton, United Kingdom

Environment & Energy Manager Johnson Matthey Stevenage, United Kingdom

Supply Chain Project Manager | Supply Chain Specialist / Consultant - International Saint-Gobain London, United Kingdom

Multi Site SHE Manager KP Snacks Cleveland, United Kingdom

EMEA Regulatory Manager at Synthomer plc. Synthomer Chelmsford, United Kingdom

Customer Success Manager Aspen Technology London, Greater London, United Kingdom

Q&EHS Manager Royal Air Force (RAF) Worcester, United Kingdom

Global Head of SHE Victrex Blackpool, United Kingdom

Site Manager Johnson Matthey Cottered, Hertfordshire, United Kingdom

UK Safety Manager ProCam UK Limited Llandrindod Wells, United Kingdom

Production Manager Axalta Tettenhall, West Midlands, United Kingdom

Health and Safety Management Bostik Telford, United Kingdom

Quality & Safety Manager Monarch Chemicals Sheerness, Kent, United Kingdom

Fire Safety Officer/Watch Manager at Briar Chemicals Limited Britvic plc Norwich, United Kingdom

Health and Safety professional Tristel Global Ipswich, United Kingdom

Health & Safety Professional Flogas Britain United Kingdom

Safety and Sustainability Manager Johnson Matthey Royston, Hertfordshire, United Kingdom

Health, Safety & Environmental Manager Gurit Portsmouth, United Kingdom

Engineering Design Manager Addison Precision Chester, United Kingdom

Process Safety Manager SABIC Manchester, United Kingdom

UK Laboratory & Health and Safety Manager at Lechler Coatings GmbH Lechler Spa Middlewich, Cheshire, United Kingdom

Health And Safety Manager Evans Vanodine International Preston, United Kingdom

Environment, Health and Safety Operations Manager at Sherwin-Williams Devon & Somerset Fire & Rescue Service United Kingdom

Process Safety Manager Synthomer London, Greater London, United Kingdom

Operations Manager at INTERNATIONAL FLAVOURS & FRAGRANCES I.F.F.(GREAT BRITAIN)LIMITED IFF Cambridge, United Kingdom

DGSA/Health & Safety & Environmental Manager  
Coventry, West Midlands, United Kingdom Mirusâ,,ç Global Hygiene Solutions

Health, Safety and Quality Manager Goodfellow Peterborough, United Kingdom

Safety, Health, Environment and Quality Manager Lambson Ltd. United Kingdom

UK Health, Safety, Environment and Security Manager The Lubrizol Corporation United Kingdom

Health, Safety, Environment and Quality Manager VINCI Technology Centre  
Centre UK Ltd Willen, Milton Keynes, United Kingdom VINCI Technology

Health, Safety and Laboratory Manager at Waste Care WasteCare Group Ospringe, Kent, United Kingdom

Project Manager Health and Safety Executive Leeds, West Yorkshire, United Kingdom

Production manager Reabrook Limited Derby, United Kingdom

Health and Safety Business Partner Tata Chemicals Europe Warrington, United Kingdom

Environment, Health and Safety Manager Sanglier Ltd Nottingham, United Kingdom

EHS consultant PROGRESSIVE SAFETY CONSULTANTS LIMITED West Row, Suffolk, United Kingdom

Project Manager Health and Safety Executive Liverpool, United Kingdom

Health and Safety Manager - Vitax Ltd Vitax Limited Wigan, United Kingdom

Health Safety Environment Quality Manager Pennine Healthcare Derby, United Kingdom

Environment, Health & Safety Manager CF Industries Cleveland, United Kingdom

Production Manager, Health & Safety Officer Ritec International Ltd London, United Kingdom

Health Safety & Technical Manager (Tech. IOSH) CANNOCK CHEMICALS LIMITED United Kingdom

Environment, Health and Safety Manager Givaudan Goldington, Bedfordshire, United Kingdom

Site Services, Health, Safety & Environmental Manager M&I Materials Limited Manchester, United Kingdom

Qualified and experienced Health, Safety, Environment and Quality Manager. Johnson Matthey  
York, United Kingdom

Health, Safety & Environment Manager Christeyns Bradford, West Yorkshire, United Kingdom

Health and Safety Manager Ecolab Hartford, Cheshire, United Kingdom

Health And Safety Manager Forgeway Limited Exeter, United Kingdom

Quality, Environmental, Health and Safety & Regulatory Affairs Manager at Autosmart International  
Autosmart International Shenstone, Staffordshire, United Kingdom

Environment, Health and Safety Manager Sellafeld Ltd United Kingdom

Health, Safety, Environment Manager Knighton Foods Ltd Newport, Shropshire, United Kingdom

Quality Environment Health Safety Manager Caswell Adhesives Northampton, United Kingdom

Health and safety manager Norman Hay plc Coventry, United Kingdom

Health and Safety Manager Innovia Films Wigton, Cumbria, United Kingdom

Health Safety & Environmental Manager Robert McBride Vickerstown, Cumbria, United Kingdom

Engineering / Health & Safety Manager BASF Stoke-on-Trent, United Kingdom

Production and Technical Director, HGI Generators Ltd HGI Generators Ltd United Kingdom

Project Manager intec - GOPA-International Energy Consultants London, United Kingdom

Offshore Installation Manager Idemitsu Gas Production (Vietnam) Co., Ltd. in HCMC Findochty, Moray, United Kingdom

Quality Manager GE Oil & Gas Inverurie, Aberdeenshire, United Kingdom

Production Optimisation Manager at Repsol Sinopec Resources UK Limited Repsol Sinopec Resources UK Limited Fordoun, Aberdeenshire, United Kingdom

H&S Specialist EDF (UK) Doncaster, United Kingdom

Brents HSSE Manager Shell Aberdeen, United Kingdom

Tactical Response Advisor [Eastern Hemisphere] bp Sunbury, Surrey, United Kingdom

Senior Offshore Surveyor American Bureau of Shipping (ABS) Aberdeen, United Kingdom

HSSE Leadership, Behavioural Change, Assurance & Joint Venture Excellence Shell London, United Kingdom

Scaffolding Manager Consolidated Contractors Company Hebburn, Tyne and Wear, United Kingdom

GY Base Manager ATAM GROUP Filby, Norfolk, United Kingdom

Head of Technical Centre, UK Bureau Veritas Group London, United Kingdom

Business Development Manager ERF Sector - Future Industrial Services Future Industrial Services Newport, Newport, United Kingdom

Senior Safety Advisor DSRL Oxford, United Kingdom

Head of Safety and Operational Risk BP Exploration bp London, Greater London, United Kingdom

Operations Manager at Sword Venture Sword Venture Twickenham, Greater London, United Kingdom

Factory Manager - HTL Group Scotland HTL Group Newcastle upon Tyne, United Kingdom

Maintenance Manager LNG/ LNGi / FLNG /LNG HUB bp United Kingdom

Discovery Technology Project Leader - Subsea Pipeline Inspection Territorial Army Durham, United Kingdom

UK Operations Manager at Gassco AS Gassco AS Hull, E Riding of Yorkshire, United Kingdom

Vice President HSSE Risk and Investigations at BP bp London, United Kingdom

Senior Safety Advisor DSRL Thurso, Highland, United Kingdom

Managing Director Frontline Safety UK Ltd Glasgow, United Kingdom
